**PETITION TO ALLOW FILING ON BEHALF OF INVENTOR  
WHO REFUSES TO SIGN UNDER 37 CFR 1.47(a)**

Dear Sir or Madam:

Inventors ALEXANDROV, GAMIDOV, ZOZULYA and ZOZULYA hereby bring this Petition under 37 CFR 1.47(a) to allow them to file the accompanying U.S. patent application on behalf of themselves, as well as Vladimir Valentinovich BUZOV, who has renounced his inventorship and rights in the subject application and who refuses to sign the application papers.

Facts supporting this Petition and inventor Vladimir Valentinovich BUZOV's refusal to sign the application are provided below.

The subject application, being filed herewith, is a U.S. national phase application, under Chapter I of the PCT, of PCT International Application Number PCT/UA00/00035. PCT International Application Number PCT/UA00/00035 claims priority to Ukraine Patent Application No. 99105787, filed October 22, 1999 in the State Department of Intellectual Property in the Ukraine. The inventors, and applicants, are all citizens and residents of the Ukraine. Mr. BUZOV was named as an inventor and applicant of PCT International Application Number PCT/UA00/00035, but he has since renounced all authorship and property rights that resulted from filing of the priority Ukraine application, including the PCT International Application and the U.S. national phase application, and assigned his rights in the invention and the subject matter of the application to the remaining inventors.

PCT International Application Number PCT/UA00/00035 was filed on behalf of the inventors by Alla Sergeevna Seryugina, a Patent Attorney registered as Patent Attorney Register No. 63 in the Ukraine. Ms. Seryugina has advised us that Mr. BUZOV has renounced all of his authorship and property rights in any applications that result from filing of the priority Ukraine Patent Application No. 99105787; that he refused to sign any additional documents in connection with the subject matter of the application at the time he renounced his authorship and property rights in the priority Ukraine patent application; and that he cannot be reached. Ms. Seryugina further advises us that Mr. BUZOV signed a document renouncing his authorship and property rights in the priority Ukraine application and any related applications in May, 2001. In this document, Mr. BUZOV also assigned any rights he has in the invention and the application to the remaining applicants of the Ukrainian priority application, Messrs. ALEXANDROV, GAMIDOV, ZOZULYA and ZOZULYA. A copy of the original document, and an English language translation executed by Ms. Seryugina, are attached to this Petition as Exhibit A.

(1)  
renounced

(2)  
refused  
to sign

(3)  
cannot  
be reached

A copy of the Declaration and Power of Attorney for the U.S. national phase patent application being filed herewith, is attached as Exhibit B. The Declaration and Power of Attorney is signed by the remaining inventors, Messrs. ALEXANDROV, GAMIDOV, ZOZULYA and ZOZULYA. The signature block for inventor BUZOV is left blank, as he has refused to sign the Declaration.

Filing of the accompanying patent application by the inventors ALEXANDROV, GAMIDOV, ZOZULYA and ZOZULYA on behalf of themselves and the refusing and unavailable inventor, Mr. BUZOV, is necessary to preserve the rights of the parties and prevent irreparable damage. The requisite Petition fee accompanies this petition. Mr. BUZOV's last known address is printed on the face of PCT International Application Number PCT/UA00/00035 and is: ul. Chaikovskogo, 33b/53, Kharkov, 61024, UKRAINE.

Respectfully submitted,

By: \_\_\_\_\_
